CRYOSKIN BALI

ABOUT *Cryoskin*

Cryoskin is a revolutionary technology developed in Paris and is the #1 fat freezing device in Europe. It uses sub-zero temperatures to sculpt your body with non-invasive, natural, painless treatments for slimming, cellulite reduction and body + facial toning.

HOW *it* WORKS

Fat cells are far more sensitive to extreme temperatures than the rest of the cells in your body. Slimming treatments use heat and cold to destroy fat cells, which are eliminated via the lymphatic system. Toning treatments increase blood flow, stimulating collagen and elastin production, lymphatic drainage, and skin tightening.

FREEZE *your* FAT

Non-invasive fat loss technology to help you shape your dream body In just 40 minutes! Our treatments painlessly freeze your fat off while stimulating collagen & elastin giving you remarkable results
